1. Product and company identification

Product name:
Stockmar Wachsmalfarben

Chemical/technical designation of product:
crayons

Field of application:
painting, formdrawing, drawing

Supplier
Hans Stockmar GmbH & Co.KG

2. Composition/Information of Ingredients

substances	CAS No	Conc. wt-%	Classification	R-phrases No	Note
beeswax		10			
stearin		20			
hydrocarbonwaxes		30			
paraffin		30			
pigment		10			

3. Hazards identification

4. First-aid-measures

Ingestion:
Rinse out mouth and give plenty of water to drink. In the event of persistent symptoms seek medical treatment.

5. Fire-fighting measures

Suitable extinguishing media:
alcoholic resistant foam, CO2

Extinguishing material that mut not be used for safety reasons:
Strong water jet

6. Accidental release measures

7. Handling and storage

8. Exposure controls/personal protection

substances name	Hygienic limit	Notation

9. Physical and chemical properties

Form/color/odour: solid, coloured

melting point:

Autoignition temperature: > 180 C

Explosion properties: n.a.

Solubility: ..in water: insoluble

10. Stability and reactivity

Condition to avoid:

Evolution of heat

Materials to avoid:

reaction with strong oxidising agents.

Hazardous decomposition products:

No hazardous decomposition products known.

11. Toxicological information

Experiences made in praxis:

No toxicological problems are to be expected. The product is labelled „CE“ and „non-toxic“.

12. Ecological information

General information:

No ecological problems are to be expected when the product is handled and used with due care and attention.
Do not discharge product unmonitored into the environment.

13. Disposal considerations

14. Transport information

15. Regulatory information

16. Other informations

Because we use no hazardous materials we have filled out this MSDS only for your information. Also the substances under **2.Composition** are no hazardous substances and only for your information.
